

Valentine Fund Agreement - 2020

The Valentine Fund has been setup to help scouts that are current members of Troop 49. These funds are applied for by the scout and a select group of adult leaders shall meet to discuss the scout's acceptability to receive the funds for scouting approved camps, activities, high adventures and events.

If at any time before the approved scouting camp, activity, high adventure or event is attended the scout quits, leaves or transfers out of Troop 49 the scout is responsible to reimbursement the Valentine Fund the full amount that was approved, no acceptations will be made.

Within (1) one month after the scout returns from the approved activity a letter thanking Mrs. Valentine must be written.
